

## Privacy Policy

Your privacy is very important to us; to that end we do not collect or share any information about you or your transaction other than for the purpose of supplying you with a locking wheel nut and for security purposes whilst checking proof of ownership and ID.

### How we use your information

We may use any information you give us about yourself and others to:

- Manage your order
- Carry out regulatory checks to meet our legal obligations
- Prevent and detect crime
- Keep you up to date with information about your order
- We will not reveal any personal details or details concerning your order to anyone other than those parties involved in processing your order, unless:
  - You ask us to reveal the information, or we have your permission to do so
  - We are required or permitted to do so by law
  - It is required by law enforcement or fraud prevention
- When you make an order with us, you confirm that you and anyone else required in connection with the order, are aware that you and their 'proof of keeper' details and if necessary 'identity' details will be checked via the documentation forwarded to us.

If we don't receive your documents, we will not be able to process your order. We may also request documentary evidence directly from any other person in connection with the order.

We do not store credit card details nor do we share customer details with any 3rd parties not connected with processing your order. We are registered with Data Protection.
